Explore Our Platform & Join the Pilot!

✨ About the Pilot Scheme

To help schools experience the Open English Learning Platform and its classroom potential, we launched this successful initiative in the 2024 and 2025 academic years. This February 2026, we invite your school to join the pilot. Our pilot features specially selected units, functional items and flexible scheduling, allowing teachers to tailor it to their classroom needs. Don't miss this opportunity to bring innovation to your classroom—be part of shaping the future of English learning!

Pilot Mode and Period

Teachers can deliver lessons through the platform in school, or students may use the platform at home. The pilot period is about a one-week lesson during February to July 2026. Schools can determine their preferred schedule within this timeframe.
